NFIB is the nation's leading small business association, with offices in Washington, D.C. and all 50 state capitals. Founded in 1943 as a nonprofit, nonpartisan organization, NFIB gives small- and independent-business owners a voice in shaping the public policy issues that affect their business. NFIB's powerful network of grassroots activists sends its views directly to state and federal lawmakers through our unique member-only ballot, thus playing a critical role in supporting America's free enterprise system. NFIB's mission is to promote and protect the right of our members to own, operate and grow their businesses. More information about NFIB is available online at www.NFIB.com/newsroom.
